## ADVENTURE TRIP TO MUKTESHWAR

Dear Parents,

Greetings!

It has been the school's endeavor to make the curriculum for our students as diverse and enriching as possible by providing varied opportunities to experience and to learn. Outstation trips are a step in this direction.

One of the main objectives of these outings is to promote bonding amongst students and teachers and discover new peer to peer equations which just might need a relaxed, outdoor setting to act as a catalyst. Students, besides having a good time, learn to be independent and take decisions on their own. Teachers also notice traits and qualities that may not be apparent in a classroom, which gives them a much better understanding of the child.

This year the school is organizing an adventure trip to Mukteshwar, Uttarakhand for **Grades X, XI and XII** between Sunday March 17<sup>th</sup> to Wednesday, March 20<sup>th</sup>, 2024. The trip is in collaboration with Eco Venture: Travel with Education wherein students will explore nature, experience adventure sports, visit a village school to get a taste of rural lifestyle.

**Please find below the Trip Schedule:**
