SHIV NADAR UNIVERSITY

Dear Parents (Grades X, XI)

Greetings

Education, experience, and exposure are the three E's that play a fundamental role in students' lives and create the foundation for informed choices. Visiting a campus, starting from their school to reaching the college, meeting the college seniors, and to actually get familiar with the environment of the campus, their students' life, culture, and the involved academics, gives the experiential exposure to the students.

With this objective in mind, we have arranged a visit to **Shiv Nadar University**, for **Grades X and XI**, from **8:00 am to 4:00 pm on Friday, 19th April 2024**.

Kindly arrange the drop off for your ward to school at **7:15 am** and the pickup at **4:00 pm**.

Warm regards

Ms. Nidhi Tewari
Principal
